

PLAY TODAY

*You say you love your children,
And are concerned they learn today?
So are we – that's why we're providing
A variety of play.*

*You're asking us the value
Of blocks and other such play?
Your children are solving problems.
They will use those skills each day.*

*You're asking what's the value
Of having your children play?
Your daughter's creating a tower;
She may be a builder some day.*

*You say you don't want your son
To play in that "sissy" way?
He's learning to cuddle a doll;
He may be a father some day.*

*You're questioning the interest centers;
They just look like useless play?
Your children are making choices;
They'll be on their own some day.*

*You're worried your children aren't learning;
And later they'll have to pay?
They're learning a pattern for learning;
For they will be learners always.*

Teaching Staff

Ducklings (Young 3's) Debi Clemson Vicki Novak	Teddy Bears (Older 3's) Sarah Hepler Jackie Hoover Tamra Stack
Rainbows (4's) Debi Clemson Nancy Dawson Stephanie Stewart	Penguins (5's) Jackie Hoover Vicki Novak Jeanette Wellman

Our staff members are active in the National Association for the Education of Young Children and all are experienced early childhood educators. Our teachers have varied and extensive backgrounds including elementary education, special education, science education, speech therapy, foreign language, fine arts, and creative dramatics. The staff participates in continuing education programs remaining alert to the ever-changing needs of today's families.

New Horizons is an outreach of St. John United Methodist Church. We serve families of the church and from throughout the community. We celebrate Christian holidays; however, our doors are always open to families of all beliefs.

The New Horizons Parent Advisory Council serves as a liaison between NHPS and the preschool and church communities. The Council assists with fundraising activities and meets a minimum of four times each year.

Special Days for Families at NHPS

Each year we have a number of special events at New Horizons that provide wonderful “Kodak Moments.” Please keep the following dates in mind for the 2009-10 school year.

Saturday, Sept. 26	NHPS Open House – Family Fun for all
Tuesday, Dec. 15	Family Christmas Party for Ducklings
Wednesday, Dec. 16	Christmas Programs for Rainbows (4’s)
Thursday, Dec. 17	Christmas Programs for Teddy Bears (3’s) & Penguins (5’s)
Friday, Feb. 26	Rainbows (4’s) Alaska Unit Potlatch and Performance
Thursday, May 7	Penguins (5’s) Mothers’ Tea
Friday, May 7	Rainbows (4’s) Art Show
Wednesday, May 19	Farewell Picnics for Rainbow Families
Thursday, May 20	Farewell Picnics for Duckling, Teddy Bear & Penguin

Enrollment

We expect that some of our Ducklings will still be in pull-ups or training pants, but all children enrolled in our programs for older preschoolers (Teddy Bears, Rainbows, and Penguins) should have independent toilet skills. Exceptions are made for children with special needs. Our staff provides assistance to younger preschoolers when needed, but it is very helpful if clothing is child-friendly. (*Hint: Jeans with snaps and tights are often difficult for young preschoolers to manage.*) We expect occasional “accidents” and have substitute clothing available in the preschool office for children to borrow as needed. Please make time for your child to go potty before arriving at school each day.

For the 2010-11 school year, returning preschool families and St. John members may register in early February. Open registration for the community at large will begin on February 19, 2010.

Tuition Payment Schedule for 2009-10

Tuition for the 9-month school year is due by the 10th of each month from September through May. Checks may be made out to NHPS or New Horizons Preschool.

<u>Program</u>	<u>Monthly Tuition Payment</u>	<u>Annual Tuition</u>
Ducklings	\$140	\$1260
Teddy Bears	\$150	\$1350
Rainbows	\$170	\$1530
Penguins	\$200	\$1800

The Gregory Edward Brush Scholarship Fund is available to assist families with significant financial needs. Families needing financial assistance should contact the Preschool Director.

Guidelines for Parent Helpers

Helpers are an integral part of the New Horizons Preschool program. Each family is required to provide an adult helper to assist our classroom teachers approximately once each month (more often for Ducklings or for families who have twins in the program). Parents, grandparents, aunts or uncles, as well as caregivers are all welcome as classroom helpers. Of course, parents and other adult family members are always welcome to join us at New Horizons on days other than assigned helping days. Parents will need to make other arrangements for siblings on helping days (an infant in a Snuggli is OK) as our classroom activities require your attention and many are not age appropriate for younger siblings.

Following is some information you may find useful as a classroom helper:

- 1) Please try to be prompt in arriving on your helping days. After you assist your child in settling in for the day (and initial the sign-in sheet), check with your child's teacher to find out what your "assignments" for the day will be.
- 2) Play or read with children during Gathering Time.
- 3) During the first meeting (group time) of the day, be present to comfort or quiet individual children as necessary.
- 4) When the children go to their classrooms for "circle groups," go with your child's class. Sitting quietly, listening attentively, and taking turns are skills we often practice. Assist individual children in sitting quietly as appropriate. The teacher may ask for your assistance in the circle activity for the day. We appreciate it when parents follow the teacher's lead in providing help to individual children. Our goal is for the children to feel successful about completing their tasks and that they have work that is truly their own.
- 5) During Choice Time, assist in one of the individual rooms as requested by teachers. You may be asked to help in the Art Room, Gathering Room, Snack Room or Big Room.
- 6) Preschoolers thrive on physical activity and we provide ample outlets for gross motor play; however, at times children's behavior may be too exuberant for our preschool setting. We appreciate our classroom volunteers' willingness to intervene by redirecting children as well as modeling appropriate behavior.
- 7) Assist children in getting ready for outdoor play. Each child should put street shoes in his or her school bag and return the bag to the proper hook before going outside. Many children will need help with zippers or the "2nd mitten," but it is important to encourage them to dress themselves as much as possible. Often a gentle reminder (for example, "What should you put on next?") is all that is necessary to help them move along in the process.
- 8) Helpers should be prepared to go outside and help supervise outdoor play (be sure to bring boots, hat, and gloves, if needed) unless a teacher asks you to assist with indoor cleanup.
- 9) Private restroom facilities are available for helpers in the new building addition. The restrooms are located in the hallway next to the new "galley" and fellowship hall.
- 10) **Enjoy Yourself!!!** This is a wonderful time for parents and children, and it is a great spot for finding extra hugs! Remember, we are never too old for play.

Parents are asked to provide information to assist us in assigning parent helper time slots for our classes. We will make our best attempt to accommodate family schedules. Calendars will be posted on the bulletin board and a copy will be sent home a few days before the beginning of each month. **You are responsible for finding a substitute if the time slot you are assigned is not feasible.** If you are unable to fulfill your helper commitment, please be aware that a fee may be added to the next month's tuition.

CAUTION

We ask that drivers always be on the alert for darting children throughout the parking area. Adults must keep their preschoolers very close when entering or leaving the building. Please be sure to respect handicapped parking spaces and fire lanes.

Arrival and Departure

We ask that you use only the West Parking Lot (New Seward Side) and entry doors when you arrive and depart Preschool each day. Please arrive in a timely manner but no earlier than the stated start time for your child's program. NHPS' white board will be in the entry hallway outside the church offices as you arrive. Many of our preschoolers enjoy "reading" the white board upon arrival to learn of important news and activities.

After hanging outdoor gear and preschool bags on designated hooks, the children will be greeted by a teacher at the "name tag table." (Ducklings will greet their teachers in the Big Room.) Before leaving the facility at the beginning of each day, parents must initial the sign-in sheet for any preschooler transported to New Horizons.

Teddy Bears, Rainbows, and Penguins will be dismissed from the "Big Room" at the end of each school day. Please plan to come all the way into the "Big Room" to meet your child. (Preschoolers will know that no child crosses the "Magic Line" at the door of the Big Room without a parent, grandparent, caregiver, or carpool parent.) Ducklings will be dismissed from the hallway near their classrooms.

New Horizons will only release a child to an adult who is listed in the child's file. On occasions when your child will be leaving school with a friend or will be transported by another adult, please inform the preschool office.

The New Horizons pickup policy is as follows:

1. Children are to be picked up by an authorized adult at the dismissal time.
2. There will be a five-minute grace period before late pickup charges apply.
3. Following the grace period, a \$10 late pickup charge will be assessed.
4. If the child is picked up more than 15 minutes after dismissal, the late charge is \$25.
5. The Treasurer will receive notice of late pickup fees each month to be added to the following month's tuition.
6. The fee will not apply in emergency situations.
7. Parents are encouraged to drive carefully and plan ahead.

Snow Days/Volcano Closures

New Horizons follows the Anchorage School District guidelines for closures. Snow days are infrequent but please stay tuned to local radio and TV stations for school closure information. **When ASD schools are one hour late or closed, New Horizons will be closed for that day.**

Medical Records

In accordance with the State of Alaska, NHPS needs a copy of each child's current physical examination form from your child's physician and **a complete record of immunizations** (month, day and year). If your child has had the chicken pox, please have your pediatrician's office note the month and year of illness on the physical examination form. The chicken pox immunization (varicella) is required by the State for children in pre-elementary programs who have not had chicken pox. Please be sure to bring your child's immunization record on the first day of school (no shots, no school). Another option is to call your pediatrician's office and ask them to fax it to us (**344-4322**).

IMPORTANT: Please be sure to note any allergies or medical conditions on the Disaster Release Information Card in the enrollment folder.

Wellness Guidelines

Parents in our programs often ask the question, "What is your health policy and when should a child stay home from preschool?" Even though most parents instinctively know when a child is well and when she/he is not, it may be helpful if we offer our guidelines. We ask parents to keep a child home if any of the following is exhibited:

1. If a child is feverish or if the child was running a fever in the last 24 hours (This may mean flu or it might indicate an ear infection.)
2. If there is redness in the eye or eyes with mucous accumulations (This could be indicating pink eye which is a strep virus.)
3. If a child has green goopy mucous dripping from the nose (Usually indicates a bad cold which is still contagious.)
4. If there is a deep cough or bronchial wheezing (Bronchitis is always suspect with this symptom.)
5. If the child has had episodes of vomiting or diarrhea in the last 24 hours (Could be a contagious infection.)
6. If there is a rash evident (This could be anything from roseola to chicken pox.)

EXCEPTIONS: Working and playing in an environment such as a preschool, parents need to be aware that there is a greater risk for contracting illness. However careful we may be, when groups of children gather, germs are exchanged. On a more positive note, since group activities are forever in a child's future, there are certain immunities that are developed as children come in contact with different "bugs" and many little bodies do become more resistant over time. We also need to remember that some children suffer from chronic health conditions which may at first glance seem contagious but, in actuality, are not. These may include allergies, asthma, eczema, hearing, vision, or speech complications.

There may be a time when a parent thinks a child is well enough to attend preschool and a teacher feels that the child does not meet our wellness guidelines. On such occasions, the teacher gets the final word and we ask the parent to take the child home. PLEASE don't take our decision to send you and your child home personally; we're aware how persuasive children can be when it comes to attending school. Any time a child is ill and not attending school, we appreciate a phone call (**344-5835**) letting us know.

Clothing

We encourage each preschooler to develop self-dressing skills. Child-friendly clothing helps build self-confidence. **Before the first snowfall, please practice dressing at home.**

Children love to run, jump, climb and turn upside down. In addition, they are involved in painting, digging, water play, and using markers or playdough most school days. Durable “play clothes” are best for school. We use washable paints and have the children wear paint aprons but find that some paint pigments are somewhat less “washable” than others. Specific “dress-up” days (beach day and pajama day are two of the “dress-up” days we schedule most years) are communicated to parents via note.

Shoes must be worn at all times. **Snow/rain boots are much too warm to be worn inside so please ensure your child has an indoor pair of shoes each day.** Sneakers are best, but other sturdy shoes are good substitutes. **Please no** party shoes, slippers, crocs or flip-flops. Your child’s safety is our number one concern.

Outdoor clothing should be appropriate for the weather. In the fall and spring, our play yard is often muddy in some areas. Please keep that in mind when selecting clothing for outdoor play. Alaskan winters bring snow (we hope) and many opportunities for outdoor fun. Winter gear should include warm jacket and snowpants (or a snowsuit), snow boots, warm hat, and mittens. Please no gloves.

Any loose clothing items should be clearly marked with the owner’s name or initials. This includes all outdoor clothing as well as indoor shoes. A black or silver ‘sharpie’ marker works well for labeling most items.

We ask that preschoolers bring a school bag each day. During colder weather this is the best way for your child to transport hat, mittens, and indoor shoes. A tote-style bag (please no zippers or backpacks) makes life so much easier for sending home artwork and for transporting winter gear. Each fall we offer tote bags for sale for your convenience.

Personal Belongings at School

Even though children are often anxious to share “treasures” with teachers and friends, we ask that children not bring any toys to school. The exception will be when it is the child’s turn to bring the “sharing bag.” Please insist that your child leave any special comfort items (blanket, stuffed animal, etc.) in the car or at home so that these important items are not lost or left at school.

Lost and Found

A “lost and found” basket is located in the hallway near the preschool office. At the end of the day, all unclaimed items are placed in this basket. Labeling clothing usually facilitates a return to the owner.

Classroom Snacks

Each child will have three or four opportunities during the year to bring snack for their entire class. Snack assignments will be listed on the Classroom Volunteer calendars each month. Try to involve your child in selecting the snacks you bring. Remember that water (cloud juice) is our only beverage. Keep the following guidelines in mind when choosing a snack.

- ❖ **No nuts of any kind.** (Due to children with severe food allergies please screen your snacks carefully for nuts, peanut butter, or nut products. **Be especially careful to check the ingredient list for nuts in processed snack foods -- granola bars, cereals, etc.)**
- ❖ **No cupcakes or muffins with toppings.** These tend to crumble leaving a messy floor in our play area and children with sticky fingers and faces. Homemade mini-muffins are great as they aren't nearly as likely to leave crumbs.
- ❖ **No yogurt, "Go-gurt", or popsicles.** While these are healthy and fun, again we find that they are a little too messy for our carpeted environment.
- ❖ Plan to bring enough snacks for the entire group. (To have enough so that helping parents can share, please bring about **40 for Teddy Bears, Rainbows and Penguins; 25 for Ducklings.**)
- ❖ Bring **5 ounce drink cups** for "cloud" juice and snacks. **We serve water rather than juice or fruit drinks at snack time** and we serve the snacks in cups (crackers, cereals, small cookies, fruit, etc.). That amounts to 80 cups for Teddy Bears, Rainbows and Penguins; 50 cups for Ducklings. Please be sure to bring the 5 ounce cups -- **not** the smaller 3 oz. bathroom cups.
- ❖ You may drop off the snack in the preschool office when you bring your child to school for the day. Our office staff will be happy to slice apples or other fruit, put crackers or small cookies in cups for serving, etc. **Please have fruit washed.**
- ❖ We have several occasions during the year when parents are asked to bring foods to share with the group and guests. These will be posted on the bulletin board in advance of each event.
- ❖ **Birthday Policy:** Our teachers will celebrate each child's birthday with a friendship activity rather than food. We will celebrate summer birthdays in the Spring (Teddy Bears & Rainbows) or as half-birthdays (Penguins). Given that multiple birthdays in our program often fall within a very short timeframe, we ask that parents not bring special birthday snacks or treats.

A list of snack ideas is below for your convenience. If you have some other ideas, please check with the office staff so that we can add them to our permanent suggestion list.

SNACK SUGGESTIONS

Snack Food	Suggested Quantities
Breakfast Cereal Mix	Large bowl or individual snack Ziploc bags

Mandarin Oranges w/crackers	3- 15-oz. cans and 2 boxes Teddy Grahams
Melon – cut in pieces	4-5 pieces per child
Dried Fruit & Pretzel Sticks	1 "regular size" box or bag of apples, raisins, craisins, or other dried fruit; 1 bag pretzels

Communication

Parental involvement is an integral part of the program at New Horizons. We value your presence in our school. To help keep you informed, we use the following:

- Daily notices are listed on the “whiteboard” as you enter the building.
- Bulletin boards are located outside each classroom area with sign-in sheets, postings for parent helpers, snacks, field trip information and other preschool announcements and notices.
- Our Website www.newhorizonspreschool.org lists Upcoming Events on the ‘home’ page. In addition to the general NHPS information, it contains a ‘Parents’ page offering links to helpful websites and NHPS details.
- Each child is assigned a plastic bin to gather and collect all materials to be sent home. Preschool notes as well as art and classwork are placed in these and should be taken home at the end of each class day.
- The preschool publishes a monthly newsletter containing general school news and a notice of important events. These will be available on our website.
- Because a young child’s behavior is so closely tied to home and family, we ask that you keep us posted on major events or changes in your household. If at any time you have questions or concerns or would like to know how your child is doing, please discuss these issues with your child’s teacher. Special Parent-Teacher conferences for Penguins and Rainbows are planned for fall and spring.
- *Gentle reminder:* When you wish to discuss concerns with a teacher, it’s always best that you **not** have the discussion if your child might be listening. Our staff is always available for informal conferences with very short notice.

Birthday Policy

Given that multiple birthdays in our program often fall within a very short time frame, we ask that parents not bring special birthday snacks or treats. If you happen to sign up for snack on a school day near your child’s birthday, we ask that you keep our snack food suggestions in mind when selecting the snack for the day. (PLEASE no cupcakes with frosting.)

To avoid hurt feelings, please do not distribute party invitations or thank you notes at school. A class list will go home early in the fall with student addresses and phone numbers.

Discipline Guidelines

Our goal at New Horizons is to create a preschool that is a safe, inviting environment for all children and staff while helping each child work toward independence. We work very hard to give children tools to make age appropriate responses as they socially interact with peers and

other adults. After decades educating young children, our teacher and staff understand that as children transition through these early years there are occasional days (and sometimes weeks) of “rough patches” as the child practices becoming a member of a group while learning how to get along with others. At New Horizons, when children are making inappropriate choices, our staff intervenes and redirects. On occasion, a child may need a brief respite in the office where perhaps a poor choice is discussed and a new strategy suggested and then the child quickly returns to the fun activities of the day. Generally, this is all that is needed to redirect behaviors.

When continuing behavior issues become a concern, we will talk with the parents and progress as a team to work through lingering behavioral rough spots with the goal of successfully moving forward. If this approach doesn’t work, we will then sit down – teachers, parents and staff – and together put a more formalized plan into place, not only identifying issues of concern but discussing more specific goals and timelines for change. Behavior constituting concern (outside of just having a bad day) would include but aren’t limited to: being extremely disruptive, physically hurtful to him/herself or others, out of control tantrums or inability to follow repeated teacher requests. In the event that the above steps do not improve the behaviors, the staff at New Horizons reserves the right to request that an alternative environment be found for the child.

We emphasize that our teachers and staff are wonderful resources and are always willing to discuss family needs and help with areas that may be of concern either at home or at preschool. With years and years of combined experience parenting our own kids, and teaching hundreds of preschoolers, chances are at least one of us has dealt with a specific issue and can lend a listening ear or helpful suggestion.

Fundraisers

The Parent Advisory Council coordinates several fundraisers during the school year. Proceeds fund scholarships and new preschool equipment/furnishings. Families are encouraged to volunteer to help with these projects. Fundraising events have included a booth at the St. John Fall Craft Bazaar, a Book Fair, and an annual Spring Silent Auction.

Outreach Programs

New Horizons sponsors at least one food drive annually. The Advisory Council may choose additional outreach projects during the school year. These activities provide our families with an opportunity to instill generosity and caring toward those less fortunate.

Scholastic Book Orders

Periodically, Scholastic Book Order brochures are sent home. We make the book orders available as a service to those preschool families who wish to take advantage of the opportunity to purchase children’s books for their home libraries (often at a discount from the cover price). As a side benefit, the preschool receives “Scholastic Bonus Points” with each order which are used to “buy” books for our library (or auction) and other items for the school. Please do not ever feel that you are under any obligation to place an order. **Orders can be placed on-line via our website.**
